about us

Hübsch is a design company founded by Flemming Hussak, Jannie Krüger and Daniel Henriksen, and is today regarded as one of Scandinavia's leading home interior brands. Hübsch designs two new collections a year, with focus on the latest trends.

image bank & showroom

You can find all our mood photos, packshots and videos in our image bank.

Log in using your press credentials:

Username: press

Password: hubsch2020

By our headquarters we have a fully decorated showroom. We would love to give you an inspiring tour into our creative universe.
