

ChiCura
ARCA

ARCA A POETIC BOX

Arca can be used for instance for jewelry or makeup. The shape of the box is inspired by a spinning top and has a lively and playful expression. This is also expressed when the lid is either applied or removed which leave the box rock a little. The mirror is placed on the inside of the metal lid and can be placed either on the table or held in the hand.

ARCA, OAK/BRASS
14 (w) x 15 (h) cm - CP1221

ARCA, BLACK
14 (w) x 15 (h) cm - CP1220
