

The exquisite cashmere of Teixidors takes on earthy tones

The JAZZ collection, classic and timeless, features a new range of colours inspired by the delicate and subtle nuances of nature. The brand continues its commitment to the socially responsible production of textiles that make a clearly positive contribution to our local environs.

The new addition by Teixidors represents *“a voyage starting with luminous light green shades, moving through dense earthy reds to deep evocative turquoise hues.”* The words of creative director Nuria Bitria reflect the earthy colour palette of the JAZZ collection. One that is iconic, that explores the subtle differences between cashmere tones woven by hand on the looms at Terrassa. (Barcelona).

The JAZZ collection embodies integrity and honesty. The quality of the material and its exquisite finish make it an ideal accessory for any type of space, and one that easily adapts to all the seasons throughout the year.

Natural inspiration for a time of reflection

During an era like the one we are living through of deep reflection and big changes the colours of the JAZZ collection take their inspiration from the natural world.

The **throws and cushions of the JAZZ collection** are perfect for spring / summer thanks to their light weight material, texture and colours. Featuring a unique fabric, 100% Italian cashmere of the finest quality, with an incomparable tactile sensation. The contrasting colour edges is one of Teixidors' hallmarks; each piece woven by hand on a loom by experts is a unique work of craft.

Colour, a source of inspiration

JAZZ includes **nine colour** references. A range of tonalities that represent our immediate surroundings: the luminosity of green, an evocative turquoise and deep red.

TEIXIDORS: a project with the singularity as philosophy

Teixidors is a Barcelona based brand with a social vocation aimed at achieving economic independence and social inclusion of people with intellectual disabilities.

This objective has laid the foundation for over 30 years of award-winning design, created on manual looms in our own workshop in Terrassa (Barcelona).

Teixidors sources the highest quality raw materials, like cashmere and Yak wool from a cooperative in Mongolia, and ecological Merino wool from a small farm in Provence. Today Teixidors' exquisite plaids, bedspreads, pillows and scarves can be found in some of the most prestigious stores in the world.
