

SUMMER HOUSE LIFE – why is it so wonderful? Summer and long lazy days seem to go hand in hand, and something we all long for. Of course, we long for the sun, the sea, and a blue sky, but also the holidays and a not so fully booked calendar. "With summer just around the corner, here are my tips for taking advantage of all the wonderful days," says Kristina Lindhe, Creative Director:

• IGNORE THE TO-DO LIST

Let the boring wait until a rainy day or ignore it completely. Enjoy instead!

• GET OUTSIDE

Being out in nature is the best thing for my soul. And nothing beats a refreshing dip on a hot summer day.

• EAT WELL

Take advantage of everything wonderful that is available during the season – preferably a delicious salad or a refreshing watermelon lemonade.
