We feel very honored and very happy to see our design
in REAL FUTURISTIC world!!!

In a thrilling episode 10 finale to the first season of Upload @uploadonprime our
beautiful graphic bracelet Chrys
is worn by Allegra Edwards @arosebyname alias Ingrid Kannerman.

And if this bracelet looks familiar, you are one of lucky people who stopped by the Montreal Museum of Fine Arts store @mbamtl after visited the Thierry Mugler: Couturissime exhibition in Montreal
or
you went to Seoul [Platform-L contemporary art center] to see "Mirage Printanier", the exhibition of French and Korean jewelers and designers of which we were a part.
