

## **Collab Earthwake x Panda Pailles**

Earthwake, the incubator of low tech innovations in the service of waste recovery supported by Samuel Le Bihan, and Panda Pailles commit together to offer a concrete solution to fight plastic pollution.

A unique product is offered to shops:

- a blue, white and red tortoiseshell print pouch made in France
- the cork fabric label mentions the EarthWake x Panda Pailles collab
- 6 bamboo straws with personalized with the Earthwake logo and engaging and positive mentions: "Every gesture counts", "Save our oceans" and "I love my planet"
- 1 cleaning brush

*Public price: €22*

*Retailer price: from €12. Decreasing prices according to the quantity.*

**€ 2 is donated to Earthwake by Panda Pailles for each pouch purchased**

***Earthwake** is an association founded by Samuel Le Bihan which transforms plastic waste into a source of energy using a machine enabling populations to treat pollution upstream, by recovering plastic waste.*
