

Pollen, The Little Bee Doudou !

By setting up hives on its site and associating with a local beekeeper, Doudou et Compagnie is committed to participate in the protection of bees.

Creating the Doudou bee in organic cotton, we hope to raise the awareness and share this message: Protect bees is also protect our future and that of our children !

The Extras

- Organic soft toy: 100% organic cotton
- Trendy colors and prints
- The Bee organic collection is characterized by its work of organic cotton under all textures: 2 soft linen nouettes + 2 velvet cotton nouettes, 2 printed wings in light cotton swaddle type, 1 wing in ochre and ecru striped jersey. A bi-material square, soft cotton velvet on the front and honeycomb cotton on the back
- This wealth of materials aims to awaken the senses and develop the fine motor skills of toddlers
- Meaningful product : transmission of an eco-citizen message
- Each comforter Doudou et Compagnie benefits the Doudou guarantee. Thanks to its unique number, Doudou lost is quickly found ! 

HAPPY DOUDOU TO YOU !

For its 20th anniversary, Doudou & Compagnie has chosen to honor one of its most iconic soft toys: The “Lapin Bonbon”. Remember, a bunny with natural stuffing, unsurpassed softness and a colorful little tail ! Today, this last is embellished with a firework of labels and swaddle material that baby will love to handle.

Who says celebration says creation of exception with this pure white bunny, extremely soft and tender, worked as Haute couture !

Why revisit this bunny ?

- Celebrating babies and tenderness
- Celebrating our consumers: Mums’ soft toys, but not only ! Dads, elders, relatives who choose Doudou et Compagnie
- Celebrating Doudou and its creativity which is part of its brand’s DNA !

Happy Birthday Doudou et Compagnie !

Remember, Doudou et Compagnie became known thanks to the creation of the first comforter without stuffing.

It was a face of a little bear sewn on a flexible square.

20 years later, Doudou et Compagnie is constantly reinventing itself and challenging its creativity.

Based on a traditional French know-how, the Doudou-stylists pay attention to provide very soft material, to play with textures, to put in the spotlight our favorite animals !

Doudous and musical boxes – bunny, bear, cat, mouth, panda and reindeer, here are the very cute Méli-Mélo.

Soft, harmoniously colored, easy to handle and well thought out to meet babies' needs.

The Extras

- Small comforter with its soft flexible square appreciated by baby's little hands
- Matching box musical to rock and reassure baby
- 6 characters: reindeer, bears, cat, panda, mouth and bunny
- Soft material +++
- Details to handle: nouettes, textures, labels
- Ideal Birth gift
- Fits easily into the maternity bag
- Each comforter Doudou et Compagnie benefits the Doudou guarantee. Thanks to its unique number, Doudou lost is quickly found !

1,2,3 ABRACADABRA !

Soft like a soft toy, this night light with wall projections and box musical integrated will accompany the toddlers, as if by magic, in the land of dreams!

At bedtime, we choose between its beautiful classical melody or the white sound of waves. We can adapt the sound volume according to the sleep of the babies.

The Night light with its 6 successive color variations (blue, turquoise, green, yellow, orange, purple) can operate independently of the box musical, in silence.

The Extras

- 3 in 1 product (night light, box musical and soft toy)
- 5 animals
- Original gift, ideal from the birth
- Piles included
- Delivered with instructions on the box
