In this fascinating universe made of diversity, colors and EXTRAordinary creatures, dive into the heart of the oceans to discover our fabulous UNDERWATER TREASURES.

Explore the oceans' depths and swim on back of our blue shark, follow our Manta Ray in search of its secret hideaways and admire the different colored fins of our "Wacky" Rainbow fish.

Designed with Histoire d'Ours' know-how, we focused our diversity on materials of these extra soft marine plush: textured sponge velvet, iridescent satin for the touch, ribbed jersey in ochre color, a blue honeycomb cotton, plush with long bristles brushed navy.

Plush toys with rounded and generous shapes, whose abundance of tactile feelings and softness take precedence for a sensational and imaginative journey.

Yéti Croc'N' Roll!!

Yéti Croc'n'Roll is a super yeti...that doesn't scare!

Funny and offbeat with its long white hairs, it's as comfortable in decorating as it is in playing. Really too cute, Super Yeti loves to cuddle but be careful with your cheeks because it's also a kiss fang!

Very original product that we don't see everywhere ...

The Extras

- Available in MM, GM, and TGM
- Strong Universe, showcase theme to create
- Produit Concept Store
- 10 stories
- Gift from birth, in anniversary theme too !
- Washable at 30° C
