PORTOFINO HAT

The Portofino hat rapidly became an iconic and a must have piece of Lastelier. Loved and well-known for its colours and its patented inside pocket in which we can put money, a key or your credit card in. And finally, the inner tape is of slightly tight elastic, for a better hold on our head. You'll become addicted to this stylish, well-thought-out hat – an essential item to take with you everywhere!

Colours: orange, red, pink, lila, light pink, yellow, green, light green, blue, light blue, white, natural, brown, black

RIVIERA HAT

The Riviera is the perfect stylish beach-to-city hat. It's a real handmade panama elegantly designed with a rare and refined cloche shape. Made from smooth panama straw, it's fitted with a contrasting leather ribbon trim.

The Riviera hat featured Lastelier's signature patent with the inside pocket in which we can put money, a key or your credit card in. Finally, the inner tape is of slightly tight elastic, for a better hold on our head.

Colours: black, brown, leopard print, gold, orange, red, green, blue

Size: S, M, L

Our Tulum basket is a stunning woven palm straw bag with leather details. This lightweight and practical basket has an adjustable handle embossed with the logo and an external pocket. The Tulum basket is the perfect summer bag, ideal for strolling around in style from the beach to the city.

Colours: black, brown

TULUM BAG WITH INITIALS

Our Tulum basket is a stunning woven palm straw bag with leather details. This lightweight and practical basket has an adjustable handle embossed with the logo and an external pocket. The Tulum basket is the perfect summer bag, ideal for strolling around in style from the beach to the city.

For a truly bespoke touch, add personalised initials. Estimated delivery: 3 to 4 weeks. Having initials on the bag makes this item a unique and customized piece. Therefore, this is a non-refundable and non-exchangeable product. Available on lastelier.com only.

Colours: black, brown

CANNES BAG

The stylish and distinctive look of the Cannes bag is the result of the fine quality craftsmanship and the combination of contrasting materials: artisanal rattan and italian calf leather. This bucket bag has a jewelled shoulder strap and a drawstring top to keep your valuables secure.

Colour: brown

BORNEO STRAW BAG

The Borneo bag is handcrafted into a spacious bucket shape. It is a lightweight, minimal and very original bag with its only one adjustable handle that make for an easy grip. It has been designed to be as sleek as possible with no lining inside and minimal hardware on the handle. The body of the bag, handmade in indonesia in artisanal rattan, is enhanced by the contrasting handle in smooth italian leather. Both parts are assembled in Italy

Colours: black, leopard, gold, brown, orange, red, green, blue

UBUD STRAW BAG

The Ubud bag is handcrafted into an original square shape. It is a lightweight, minimal and very original bag with its only one adjustable handle that make for an easy grip. It has been designed to be as sleek as possible with no lining inside and minimal hardware on the handle. The body of the bag, handmade in Indonesia in artisanal rattan, is enhanced by the contrasting handle in smooth italian leather. Both parts are assembled in Italy

Colours: leopard, red, orange, green, brown, blue

ST BARTH BAG

You will discover a new and comfortable wearing sensation with our St Barth straw bag. The St Barth straw bag is so chic and very innovative with its 2 elastic handles that follows the movement of our body therefore we don't feel the weight of the bag when you carry it on the shoulder. The elastic handle, made of thick elastic ribbon, is sewn in one piece all around the bag allowing this effect of lightness whatever the actual weight of the bag.

Colour: brown

UBUD BAG

Designed with a structured square shape, the Ubud bag is lightweight and minimally crafted from Italian leather. This bag is original with its only one adjustable handle, detailed with gold-tone hardware, that make for an easy grip. Made to be as sleek as possible with no lining inside and minimal hardware.

Colour: brown

REVERSEAU BAG

The Reverseau bag is a reversible bag with contrasting materials and colors on both front and back, allowing us to have 2 bags in 1. Perfect for travel, it will fit perfectly with all our days and nights outfits. This bucket bag is just big enough to hold daily essentials. Double the shoulder strap to wear it on the shoulder or leave it as it is to wear yours crossbody.

Colours: printed pony/black calf, brown calf/black tweed with lurex

About Lastelier:

Lastelier is a French brand of high-end fashion accessories made 100% in Italy. **Lastelier** offers timeless, functional and durable pieces made in a traditional way in ateliers working for the biggest luxury brands.

Each piece represents the famous italian "volere bene", with beautiful intentions for the people who wear them with a word or charm hidden in each piece.

Lastelier is the perfect balance between meaning, form and function making all pieces of the collection a must have. A confidential collection to better focus on the essential.
