Catalogue 20-21

The Annam House is a new homeware and lifestyle boutique offering premium decoration, fashion accessories and luxury gifts dedicated to Indochina inspired design.

Established in 2020 by Tiffanie Pham, a Vietnamese born designer who moved to London a decade ago, The Annam House is her vision for a curated collection of home and lifestyle products created by skilled artisans that nurture the body and soul, create a sense of calm and make the home a brighter space.

Honouring the craft of these artisans and preserving the techniques used that are centuries old, The Annam House is committed to offering high-quality lifestyle collections that interpret the South-East Asian culture in a contemporary way, have longevity and will enhance people's homes.

“I have arrived, I am home.”
