

MON PETIT ART CAPSULE COLLECTION

NEW

MON PETIT ART

CONCEPT

This very nice brand has been designing games, crafts and stationeries for more than ten years, setting bridges between youngsters and eldest. A universe where art and poetry inspire the product design awakening sensitivity and imagination.

These series of rugs imagined by MPA around graphics rich in details is inspired by the distant landscapes of the Andes.

A collection we are delighted with !

Available middle March 2021.
