## **ABOUT ESSENTIAL HOME**

### **MID-CENTURY MODERN TWIST**

Essential Home sees this style as a stylish sanctuary from the stresses of life.

In interior design, it's all about respect for history, you should bring together the iconic character and elegance of the space with practical luxury. But Paris as it's fun and magic side, and Parisienne style is that whole idea of anti-decor, always have to look like you've done it yourself like a true French.

What better way to represent them to mix our soft and clean Marco Dining chair with the robust and sturdy Bertoa marble table. The key is to Keep it simple, mixing vintage with new, and allow our memories and treasures brought home from travels to shape the space rather than sticking to any particular interior Style.
