## Matte Mug

Together with the launch of the new Pure motif line, we have also added the new mug shape in a matt look to our collection. The stylish and hand-flattering new cup shape captivates with its "matt finish" and holds 400 ml. It is made of high-quality New Bone China and therefore has a very low weight.

Features:

- Capacity: 400 ml
- Material: New Bone China
- Surface with matt finish
