WE ARE ESSENTIAL

Essential Home is an innovative mid-century modern furniture brand that takes important historical and cinematographic references from the 1930s and 1960s and turn them into unique furnishing pieces.

WE ARE MID-CENTURY

Essential Home gathers inspiration not only from the glamorous Hollywood life of the 1940s, but also from the everyday life that defined that generation. Simple details such as the sleek lines of a 1960's chair or the retro ads that defined an era can be pinpointed in iconic pieces, such as Monocles sideboard.

WE ARE ON A MISSION

Essential Home's goal is to create the ultimate time traveling experience inside a single space. We want to create the perfect blend between the past and the present by creating mid-century modern furniture pieces that include a contemporary twist.

WE ARE VERSATILITY

The unique design of each of our pieces allows you to let your imagination run free and be creative with your projects: Essential Home is able to create the finest solutions for intimate and cozy ambiances that express elegance and luxury.
