THE DELUXE OF PAST & PRESENT

## Luxurious White and Gold Open Space by Vratika & Nakul

Entirely designed by the couple **Vratika & Nakul**, this fantastic home proves that with the right design and the help of the most exquisite brands, you can create unique interiors tailored to your needs and taste. **Rug'Society** makes a statement in the living room and on the walk-in-closet.

Greatly inspired by **Phillipe Starck** and **Marcel Wanders**, the couple wanted to achieve a total white décor, but with reflective surfaces, to give the space a bigger feel. After all, exquisite materials add a sense of glam.

THE DELUXE OF PAST & PRESENT

The idea was to create an open space and in the process of making it, a trip to **Salone del Mobile** brought many changes to the project design, but also a lot of final decisions. In the design fair, the couple was inspired to bring the idea of outdoors to the indoors, by adding green plants in the living room.

The living room is very spacious and open, in which a glass wall creates the separation between the living room and kitchen and another wall creates the separation between the living room and the bar.

THE DELUXE OF PAST & PRESENT

Taking center stage in the living room is **Vase** rug, from Rug'Society. The **Vase** rug has a bold graphic design, in which by looking at, it looks like a vase but if you look closer it's also possible to find two faces creating a double illusion. Apart from the living room, it is also possible to find **Oscar** rug in the amazing couple's walk-in-closet.

The **Oscar** rug is a cubist inspiration and deconstruction of classical concepts in simple and solid panels. It is the perfect décor for this minimalist walk-in-closet.
