

MAISON VALENTINA: DARK AND CLASSY BATHROOM IDEAS FOR 2021

When it comes to bathroom design, people often find dark bathrooms depressing, but they are a huge trend this year, contributing to a timeless, sexy, and intimate bathroom design.

Maison Valentina believes that bathrooms with darker tones can bring drama, confidence, and boldness to any interior design project, adding the irreverence and comfort people need to appreciate moments of inner care and full contemplation.

Therefore, the brand has gathered a collection of bathrooms in darker colors, showing that they are not only lovable but also alluring, inspiring people on owning one.
