THE DELUXE OF PAST & PRESENT

## The Terrazzo Rug

### *A Summer Refresh*

Summer is here and with it comes the desire for a perfect summer home design and barefoot evenings. When thinking about one of the most important design products that complete a home – Rugs - Rug'Society presents The Terrazzo Rug, as the Summer Refresh people look for this season.

The Terrazzo Rug will add design flair and comfort to any room without neglecting the wish for a sun-kissed space. All in botanical silk, this unreplicable look is combined with a hand-tufted technique, giving it an organically fresh atmosphere.

Terrazzo Rug

Its neutral tones have a huge effect on how space is decorated especially in summery rooms, flooded with natural light and high impact design furniture. This one provides the perfect base for every summer setting and once stepped in may never want to be stepped out.
