

*Beautiful black bamboo roller blinds and panel curtains are produced at their own work shop in Denmark.*

## Japandi style with Color & Co natural blind

A perfect balance between the cool, rustic vibes of Scandinavian design and the timeless Eastern elegance of Japan; Japandi is a trend that seems set to become a classic. With a strong focus on sustainability as well as style, Danish blinds brand Color & Co encompasses the Japandi look through its range of Bamboo, Paper and Jute roller blinds which come in multiple standard sizes and variety of colours and styles.
