

WAKS and Unknown Territory present

THE WILD BUNCH

New limited edition collection of handmade scented candles, hand-painted by [Timos Livaditis](#), founder of [Unknown Territory](#).

Through his ground-breaking approach, Timos uses art to deconstruct historical and political ideas, criticise contemporary society and share positive messages through humour. For this collaboration, he designs 6 exquisite vessels for WAKS that light up with the unique scents of Patchouli & Olibanum. Each vessel is numbered and perfectly unique.
