### ATRIUM DESIGN STUDIO

Korea, Republic of

Hall 6 — Stand D129

Exquisite Handmade Pots Especially For You. Hand-thrown and designed by our skilled artisans, we represent the handmade terracotta pots. With over 2 decades of creating art with our hands, Atrium Design Studio provides elegant, delicate crafts dedicated for plants and art enthusiasts. While the difficulty of spinning wheel work varies greatly depending on the shape and design of each pots and vases, Atrium Design Studio develops and uses a technique that brings out the best in pottery.

## ATRIUM DESIGN STUDIO DEBUTS AT THE MAISON&OBJET

As Atrium Design Studio announced the participation with the Maison&Objet through Live broadcast, they were showered with congratulatory greetings and good luck remarks.

Atrium Design Studio, together with the Art Enthusiasts, are proud, excited and filled with happiness.

Maison&Objet is a world-class elegant and most awaited Trade Fair that showcases the unique and best of best items of all time. It is a very exciting and most anticipated event for the Atrium Design Studio.

Atrium Design Studio has been providing handmade Terra-cotta pots for plants and art enthusiasts. Every pots made were hand-thrown and measured by the balance, design and shape of a pot.

The Home of the Exquisite Handmade Terra-cotta pots from South Korea is prepared and ready to exhibit the arts and crafts at the Maison&Objet trade fair in Paris this January 2022.
