

*Ever since the 1960's, Margit Brandt has been loved for her designs.*

*She was an icon in both Denmark and abroad. Her timeless and beautiful designs are still recognized and loved worldwide.*

*Margit Brandt once said in an interview, "I love that also everyday products are designed in a way that is different from the grey everyday life".*

*This sentence characterizes the general thread in her design – that the individual thing besides being functional must also be chic, beautifying, and special.*
