

THE SEASON'S SHARPEST NEW KITCHEN ADDITION

The Lexicon knife stand from Eva Solo makes it easy to keep a neat and tidy kitchen countertop and adds elegance too. In its design inspired by a book cover and the leaves of a book, Lexicon comes in the colours black and grey. Adapting easily to various knives, the knife stand also ensures that the knives are always sharp and to hand for transforming fresh produce into tasty meals.

Lexicon knife stand

The leaves in this lamellar knife stand can be pulled out individually for any knives needing more space, and the base of the stand prevents the blade points from scratching the countertop. To clean, wipe the knife stand with a well-wrung, damp cloth.
