

# Golden Coloured Silk Kyoto Glass

Nishijin-ori silk is placed between high safety laminated glass layers.

It is a glass with an excellent design so you can enjoy beautiful silk.

The gold brocade fabric, Nishijin Kinran, which “paradise” has been expressed. Golden Colored Silk Kyoto Glass has the transparency of beautiful glass while keeping the luxury of Nishijin Kinran, and colors the space vividly and gorgeously.

We created the space decoration material, Golden Colored Silk Kyoto Glass, with our silk fabric.

We propose gorgeous Kinran with glass for modern living spaces.
