

Functionality and style in the REAL PIEL RP® seating collection special edition "Le Corbusier"

Small collection of seats, created specifically for the Maison & Objet event in March, signed by the CEO and creative director of Real Piel S.r.l Katia Beghetto who wanted to experiment with different materials to enhance the originality and beauty of the shapes.

From the NUR seating family, armchair in genuine leather sand-colored signed REAL PIEL RP® and Italian artisan fabric with a design inspired by the famous architect Le Corbusier; the same fabric entirely covers the sofa. For both seats the wooden legs that support the shell have been painted with a matching glossy lacquer.

PECHÉ, the small bench instead interprets a fascinating meeting of shades. The shine and solidity of metal, the soft Class genuine leather cobalt blu by REAL PIEL RP® and the elegance of the Italian artisan fabric.
