

## MALLORCA

The Mallorca collection captures the natural landscape of the famous Mediterranean island, a haven of turquoise waters, soft golden sands, and impressive cliffs.

Mallorca shares its DNA with our Eivissa collection, featuring reactive glazes of sand-beige and sea-blue patterns. Yet, its soft and scalloped edges suggest a more exquisite look.

Combine both shapes for a casual and eclectic look.

Due to the reactive glazes, the blended patterns of sand-beige and sea-blue will vary slightly, making each piece is one-of-a-kind.

Glossy glaze with a unique finish.

## Fine Stoneware. Made in Portugal.

### AUTENTICITY

**Handcrafted in Portugal** by true artisans, our fine stoneware products are unique, durable and timeless.

Preserving ancient skills of the ceramic craftsmanship, one of the oldest traditions in the country, we bring to the home authentic pieces that are a true labor of care and passion.

### CRAFTSMANSHIP

All CASAFINA fine stoneware products are **hand-finished** which provides them unique character. Any irregularities, color variations or small imperfections should be considered defects, but unique marks of authenticity.

### SUSTAINABLE COMMITMENT

At CASAFINA we pride ourselves on offering unique and sustainable products.

Our fine stoneware collections are:

- Made from **local natural resources**;
- Manufactured in a **single firing system** that saves energy and reduces emissions into the atmosphere;
- **Reusable and recyclable**.

Our industrial facilities are modern and environmentally-friendly.

Our packaging are **100% plastic-free**.

### USE & CARE

All stoneware products can be safely used in the **oven, microwave, and freezer**. As a precaution, you should avoid placing the pieces straight from the oven on a cold surface. Do not use it over a direct flame.

They are also **dishwasher safe**. To ensure the items last longer we advise you to make sure that no item can rub or bump against another during the wash cycle, preventing damage. As a precaution, we recommend you wash oversized items and more delicate pieces by hand.

All pieces used for eating and serving purposes, meet the standards established by the U.S. Food and Drug Administration (FDA) with regard to lead and cadmium content. They are **food-safe**.
