

Company Profile

The story of *Modenese Luxury Interiors* has its origins in the distant 1818, when the Modenese family launched their own wooden furniture manufacture. Two centuries have passed and the family business was carefully handed down from father to son across seven generations. Today, Modenese Luxury Interiors is a **high-end furniture manufacturer** with an abundant wealth of experience in luxury interior design that offers to its clients a full range of services: from broad collections of customized handmade furniture pieces to individual designing and turn-key project realization.
