

# Wewood presents Mey sideboard

**PORTO, MARCH 2022** – During Maison & Objet 2022, Wewood will present the result of the first collaboration with the Turkish designer Ümit Caglar, the Mey sideboard.

Mey is the combination of a traditional sideboard with a sophisticated drinks cabinet.

The design was inspired by ancient jewellery boxes: simple, neat containers of precious and shiny objects. It hides a reflective surface where you can store your best bottles and also includes an elegant black metal tray-like surface, perfect to prepare drinks and appetizers.

The name comes from the old Turkish language and it's a tribute of the designer to his homeland.

Wewood Will be in Paris from 24 to 28 March at Maison & Objet in Hall 7 | Stand A99.
