STRUCTURE **DISC** **SEAT** **PEDALS** **PERFORMANCE** **CONNECTIVITY**

STRUCTURE The flexible, chromed-finished base follows the body's movements. Mirror polished steel trimmed by powder coated accents (see the structure color palette for available finishes).

DISC A 30mm crystal disc replaces the bike's original circular frame for a sleek look.

SEAT Racing bike gel seat with trim for use both for cycling and spinning. Adjustable in height and grade: 15mm pitch, 21cm total stroke.

PEDALS A 6cm narrow gap between the pedals helps the rider avoid joint problems. See the color palette for available finishes.

PERFORMANCE High -performance training is possible thanks to an adjustable magnetic resistance system. The transmission with gear box simulates a racing bike.

CONNECTIVITY This Bluetooth -enabled bike also can be equipped with a sturdy stand for a tablet. See the structure color palette for available finishes.

This exercise bike is certified for: EU/US/China

These Teckell® masterpieces are designed for indoor use. Please refer to the color charts to verify the actual hues of each product (colors may vary according to the material used).
