For Gianfranco Barban, Teckell and Blab Italia CEO, nature is an endless source of inspiration: *"I will occasionally ask myself how nature would have designed the objects that surround us. Would they have been created in a solid color or with a ruler and t-square? Definitely not."*

Made in Italy is a philosophy rooted in quality, craftsmanship and infinite creativity.

Northern Italy, Teckell's base, inspires the brand's artistry: timeless yet modern, sleek yet stylish, edgy yet elegant. Northern Italy stirs the senses.

Teckell reinterprets the great classics, transforming them into living objects such as Teckell T1.3 Wood pool table. Solid wood – natural, elegant and enduring – is among the materials that elevate the Collections. For all those who embrace sustainability as the true form of contemporary luxury.

Sophisticated leather inserts

Teckell chose to enrich this masterpiece with contemporary yet timeless finishing: brushed light bronze anodized Aluminum rails with hand-crafted leather panels, whose color hue matches the elegant solid oak bases.
