

COZY terry wear

CUDDLY ALL-ROUND FASHION FOR BABIES & TODDLERS

What could be better than snuggling up warm and cozy after splashing around and feeling completely comfy and relaxed? With the brand new COZY TERRY collection from LÄSSIG, cuddle time is now extra cozy! The comfortable leisurewear is made of soft terry cloth that perfectly absorbs moisture and thus ensures a pleasant dry feeling throughout the day. As these fashionable items are made of 80% organic cotton and 20% recycled polyester, they are not only very kind to delicate skin, but also sustainable. All garments can easily be washed at 104°F. Thanks to their casual cuts, they offer maximum freedom of movement and wearing comfort which guarantees lots of fun at playtime.

FEEL GOOD FASHION

The super-comfortable, easy-wear collection COZY TERRY includes plain colored hoodies, dresses, t-shirts, pants, shorts and sneakers – all suitable for babies and toddlers from 3 to 48 months. The styles are based on the colors of the SPLASH & FUN collection so you can combine them with the swimwear perfectly. The focus is on trendy rust, pink, olive and anthracite.

TERRY JACKET

The cuddly zip hoodies keep young ones nice and warm and offer the perfect fit thanks to their ribbed cuffs and hem. Another plus: The high-quality, sturdy YKK zipper makes it particularly easy to put on and take off.

SLIP THEM ON & OFF YOU GO

Functional, fashionable, all-round sneakers with practical non-slip soles are the ideal complement to the fluffy COZY TERRY styles and guarantee your little ones are safe at all times when playing. The best part: Not only do they look good, but they can handle anything! The light and airy trendy shoes are available in sizes 19 to 25.

ALLROUND SNEAKER

What about a delicious ice cream after splashing around or would your little one prefer to play at the playground a little longer? The innovative Allround Sneakers from LÄSSIG, are available in the trendy colors rust, pink, olive and anthracite. They are extremely flexible and ready for every adventure! The sole is made of thermoplastic rubber which has good slip resistance and ensures solid footing. In addition, the upper material is breathable, stretchy polyester, making the sneakers pleasantly light, functional and really comfortable.
