Established in 1965, Bahne is a premium Danish retailer within interior design, homeware, and fashion. Bahne Interior – Bahne’s own design brand - is a great mix of trends and quirky details that provides plenty of opportunity for the consumer to create an interesting and highly personal expression at home.

Bahne Interior offers a wide selection of home décor, kitchen and tableware, wellness products and bathroom accessories which cater to the modern consumer who cares about design and sustainability. The individual collections are created as universes that solve the entire category and can be supplemented on an ongoing basis.

Launching new trend collections twice a year, each collection is designed by Bahne’s inhouse team of designers and retail specialists, with a focus on out-of-store sales combined with surprising elements and constant renewal to keep customers interested. The assortments are continuously developed and tested in Bahne’s 23 brand stores, and therefore provide wholesale customers with security for a commercial approach with a focus on good earnings.

In 2019, Bahne won the international Gia Award for “retail excellence” and received the prestigious award at GIA’s gala party in Chicago.

OEKO-TEX STANDARD 100

OEKO-Tex Standard 100 is a global program for screening of harmful substances in consumer textiles. Products with the OEKO-tex label are 100% free from harmful substances including toxins and irritants.

Choosing Satin or Percale

Satin is woven from mercerized and extra fine yarn, which gives a soft, smooth, very durable surface. Percale is a particularly dense weave of finer yarns, which gives a breathable, heat-regulating and soft surface.

Care for your wooden boards

Soaking will damage wood and make it split. Instead rinse boards and other wooden items under hot water. Wash on both sides, air dry or wipe them off.

Cutting boards must be oiled with mineral oil regularly to avoid discoloration and to prevent food odors and bacteria.

Gorm Wishweh is Denmark's Pizza King nr. 1, a TV personality, restaurant owner and a damn good chef! He is an original and self-taught pizza miracle maker, who found his calling after many hours of work as a pizzaiolo in his mother's café in Svaneke, Bornholm, testing recipes and trying new ingredients.

What started as a passion for pizza, has since 2008 grown into an impressive chain of restaurants and pizzabars, food trucks as well as catering, private dining, and other event services. All with a focus on providing pizza lovers with an original pizza experience, an unpretentious atmosphere and high-quality food.

The Gorm's collection includes everything needed for becoming a Pizza master at home. The designs are the result of Gorm's own needs and wishes for the ideal kitchenware for pizza baking and serving.

With a focus on craftsmanship, the collection is uncompromising in function and quality, with all products thoroughly tested by Gorm himself and many used daily in Gorm's restaurants.

Care for your Gorm's items

Soaking will damage the wood and make it split. Instead rinse boards and other wooden items under hot water. Wash on both sides, air dry or wipe them off.

Cutting boards must be oiled with mineral oil regularly to avoid discoloration and to prevent food odors and bacteria.
