AUTUMN-WINTER ‘22 PRODUCT GUIDE

Symbol Guide

Battery powered product,
number and type of batteries required (batteries not included)

Mains powered product

Solar powered product,
rechargeable battery included *

Dual powered product (depending on type of icons),
supplied with a battery box, plug or solar panel

Built-in timer function

Remote control included

Indoor use only

Outdoor use, IP44 rating

Indoor and outdoor use, IP44 rating

* Note:
Solar lights performance is highly dependant on the amount of direct sunlight they receive each day. We recommend that this product is used mainly in Spring / Summer season due to best sun exposure. The lights will still operate in Autumn / Winter months, however they may only last 1- 2 hours and / or may seem weaker.

Opening hours:
Our office is open Monday - Friday from 10:00 am to 5:00 pm. We are closed on Saturdays, Sundays, and bank holidays.

Minimum order value:
£150.00 excluding VAT
Products must be ordered in the correct required multiples

UK Mainland orders are usually delivered within 1 - 2 working days from the moment they are dispatched from our warehouse. Delivery lead times for Non-UK Mainland orders are variable, please contact us for an estimation. During peak season (August - December) deliveries are likely to take longer than normal, due to increased activity with us and our courier. Deliveries are made Monday to Friday between 8:00am - 6:00pm. The courier will email / text you further details of your delivery including a delivery time slot.

Delivery costs:
Online orders do not show the exact shipping cost. The correct shipping cost will be shown on the invoice, pro forma, or order confirmation you will receive from us. An electronic version of the VAT invoice will be emailed prior to the order being dispatched.

UK Mainland delivery:
Orders below £450 excluding VAT: £10 carriage
Orders above £450 excluding VAT: Free carriage

Delivery outside of Mainland UK:
For all other locations outside Mainland UK please contact us for prices. If no contact is made prior to placing an order we will assume you accept our delivery charges.

Pallet delivery:
For large orders, we provide pallet delivery. Please contact us for further details.

Returns:
In cases we have made an error please contact us to arrange a free collection. If you have changed your mind or want to return the goods for any other reason please contact us to discuss the return. Please be aware that such returns shipped back to Lightstyle London Limited are paid for by the customer. We are unable to refund your postal fees.
We will NOT accept returns of products which:
- Have been damaged in any way; or
- Have your own stickers or price labels attached

Returned products MUST be in their original packaging and outer packaging.

If you are returning items for exchange be aware that an additional delivery charge may apply.

Payments:
We accept most debit and credit cards over the phone as well as bacs transfers.
Existing U.K. customers are entitled to 30 days credit. New customers must settle pro forma invoices prior to delivery of the goods

Pro forma accounts:
All payments must be made up-front in full prior to delivery of the goods.

Credit Accounts:
Lightstyle London Limited will issue an invoice upon delivery of goods to the customer. Unless otherwise agreed payments shall be made in full within 30 days from the date of the invoice. If payments are not made on time we will close any credit extended to you without any prior notice and will only be able to supply further orders on a pro forma basis.

Non-UK Customers:
All payments shall be made on a pro forma basis, up-front, and in full prior to delivery of the goods.

Online sales:
As of January 2015 we are no longer able to supply customers selling our goods through Amazon or eBay. Selling on either Amazon or eBay will result in the automatic termination of the account without prior warning

Exclusivity:
We no longer provide exclusivity
