

BOWLS FOR MIXING AND STORING

Success in the kitchen starts with the right kitchenware, which is why Eva Solo is launching practical mixing bowls in four sizes, to get your cooking and baking off to a great start. For working dough, tossing a salad or mixing mince, these bowls are ideal. Bowl lids are available to purchase for instant fridge storage. The mixing bowls are cast in eco-friendly PP plastic, which can be recycled again and again.

Eva mixing bowls

Use the Eva mixing bowl for baking, as a working bowl or as a bain-marie – the bowl is heatproof up to 100 °C, and is also freezer-safe, microwave-safe and dishwasher-safe.

A practical multipurpose lid for the mixing bowl is sold separately.
