

## RAISE THE BAR FOR BAKING

Let the delicious aroma of freshly baked bread waft through the kitchen and treat family and friends to home-made loaves and rolls made with the best ingredients. Eva Solo is launching the proofing basket to give loaves a soft, airy crumb. The proofing basket, made of hygienic plastic, ensures that loaves retain their shape. The grooves support the rising dough, creating a distinctive pattern to give loaves a professional finish, just like the best artisan bakers. Roll up your sleeves, assemble the ingredients and you're all set to impress with your baking, time after time.
