

SERVE WARMING OR COOLING DRINKS IN STYLE

Give a hot, velvety cocoa or iced elderflower cordial an elegant twist by serving it from the Eva Solo jug. Holding 1.4 litres, this jug complements every table setting, and the minimalist design blends in elegantly with any tableware. Iconically for the Nordic kitchen range, the finely-crafted oak handle exquisitely offsets the sleek lines of the jug, and will make it a permanent fixture on the well-dressed table.
