

SAGE - SOAK UP THE SEASON'S GREEN WAVE

Let nature green your home with the season's colour, Sage, from Eva Solo. This ethereal, muted greyish-green with silvery undertones creates an elegant home feel, uniting naturalness with contemporary style. The colour taps into the modern home with natural ambience for a sophisticated style-refresh. Sage provides verdant, tranquil accents in any interior and graces classics like the fridge carafe, vacuum jug and coffee mugs. The To Go range has also donned the season's shade, so you can take it on the move, whether you're heading off to work or out into the blue.

To Go Cup

Den ikoniska To Go Cup är en termosmugg med dubbla väggar och The iconic To Go Cup is a double-walled thermo cup with vacuum effect that keeps your hot drinks hot for up to six hours. Using this multiple-use thermo cup also helps the environment by minimising the use of disposable cups. It stays 100% sealed in your bag and the practical click function means you just need one hand to use it in your car. The silicone strap makes the cup easy to carry when you're on the go. The cup can be placed in most cup holders.

- Made from stainless steel, silicone and plastic.
- Capacity: 0.35 l.
- Dishwasher-safe.
- Article no. 567045
- **RRP: 34,95 €.**

Designed by Claus Jensen and Henrik Holbæk, Tools®. Call (+45) 36 73 20 60 for information about your nearest dealer. See also www.evasolo.com. Contact Samira Kudsk on (+45) 61 62 92 92 or at samira@samirakudskpr.com for further information.

Eva Solo A/S is a 100% Danish-owned design firm that develops, produces and markets a wide range of quality products for homes and kitchens, including the well-known Eva Trio and Eva Solo brands.

Drinking bottle

The well-known drinking bottle with the practical coloured nylon strap. The multi-use water bottle does not contain harmful chemicals such as bisphenol A and phthalates. You also help the environment every time you fill the bottle instead of buying disposable bottles when you're out and about. Using this multiple-use drinking bottle also helps the environment by minimising the use of disposable bottles.

- Made from BPA-free plastic, stainless steel, silicone and nylon.
- Capacity: 0.5 l.
- The bottle is dishwasher-safe; while the lid must be washed by hand.
- Article no. 503049
- **RRP: 29,95 €.**

Urban To Go Cup

The prizewinning Urban To Go Cup is a minimalistic double-walled thermo cup with vacuum effect. The cup retains heat for up to six hours and can also keep water cold in the summer. Using this multiple-use thermo cup also helps the environment by minimising the use of disposable cups. The cup has a functional click-on lid that is easy to use with just one hand, e.g. when you're driving your car.

- Materials: Stainless steel, silicone and plastic.
- Capacity: 0.35 l.
- Dishwasher-safe.
- Article no. 567103
- **RRP: 34,95 €.**

Urban thermo flask

Use the thermo flask to take cold water with you when you're on the go. Using this multiple-use thermo flask also helps the environment by minimising use of disposable bottles. The double-walled sides with vacuum effect keep water cold for longer, the flask is easy to use with just one hand, and the practical click-on lid means you can drink from every angle. The flask is made from robust materials that tolerate frequent, daily use, and is 100% watertight and easy to carry in your bag. Can also be used for hot drinks.

- Made from polished stainless steel and plastic.
- Dishwasher-safe.
- Dimensions: H: 21.5 x Ø7 cm.
- Capacity 0.5 l.
- Article no. 575029
- **RRP: 34,95 €.**

**COLD
UP TO 12H**

**HOT UP
TO 6H**

Silhouette vacuum jug

Behind Silhouette's inviting exterior is a steel insert, which makes the vacuum jug sturdy and durable, and even dishwasher-safe (but not the lid, which should be wiped with a damp cloth). The vacuum jug retains heat for hours and a practical steel pouring lip prevents the contents from dripping on the table. Oil regularly to protect the oak.

- Made of plastic, stainless steel, silicone and oiled oak.
- Dimensions: H: 26 x Ø: 12 cm.
- Capacity: 1.0 l.
- Article no. 502877
- **RRP: 99,95 €.**

Vacuum jug 1.0 l.

Keep your coffee or tea hot for longer in this prizewinning vacuum jug. The vacuum jug is easy to fill and pour from. The practical pouring lip ensures that the jug never drips, and it's easy to see why the jug has won prizes for its design and functionality.

- Made from plastic, glass and stainless steel.
- Capacity: 1.0 l.
- Not dishwasher-safe.
- Article no. 502846
- **RRP: 59,95 €.**

Coffee tumbler

The coffee tumbler is made from white porcelain with silicone coating. The silicone insulates the hot drink so your coffee stays hot for longer, and also ensures that you don't burn yourself on the tumbler. The tumbler comes in three different sizes, matched to pod coffee machine dimensions.

- Made from porcelain and silicone.
- Dishwasher-safe.
- Espresso 80 ml / Lungo 230 ml / Café latte 360 ml.
- Article no. 501120 / 501121 / 501122
- **RRP: 19,95 €. / 24,95 €. / 29,95 €.**

Eva Solo A/S is a 100% Danish-owned design firm that develops, produces and markets a wide range of quality products for homes and kitchens, including the well-known Eva Trio and Eva Solo brands.

Fridge carafe

An iconic carafe that keeps water cold, thanks to the insulating cover made from woven textile and neoprene. The cover makes the carafe soft and pleasant to hold, and makes sure that no condensate ends up on the table. As the name indicates, the carafe fits your fridge door, so you always have cold water available in a practical carafe with a smart pouring lip. The cover can also retain heat, if you use the carafe to serve a hot beverage.

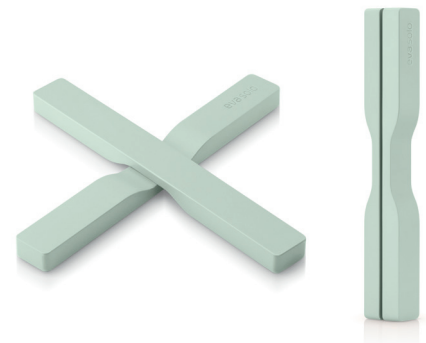

- Made from borosilicate glass, stainless steel and silicone.
- Capacity: 1.0 l.
- Article no. 568002
- **RRP: 49,95 €.**

Magnetic trivet

The magnetic trivet from Eva Solo is both practical and decorative. You can choose the final design - by placing it crossways or dividing it in two under your dish. The practical magnets mean the trivet can follow the dish or pan around the table, and it can then be fitted neatly into a drawer. The trivet is made from nylon covered with heat-resistant silicone.

- Made from silicone and magnetic material.
- Dimensions: 2,2 x 2,5 x 19,5 cm.
- Article no. 530764
- **RRP: 29,95 €.**
