**KODO MODULAR**

PRESS RELEASE

## NEW: KODO MODULAR

.....

Answering the rising demand for custom furniture, Vincent Sheppard expands its popular Kodo collection with a modular range.

Belgian design studio Studio Segers created the Kodo collection for Vincent Sheppard. Ceramic, industrial aluminium and tactile rope play the lead roles throughout the collection. These materials are weather-resistant and add a contemporary feeling to the furniture while the soft curves and rounded backs exude a warm and inviting ambience.

“Modular furniture is a great choice for backyards of all shapes and sizes. It’s the ultimate in alfresco versatility.” says CEO of Vincent Sheppard, Coralie Claeys.

In addition to the collection’s modular flexibility, you can also choose your preferred cushion fabric. The outdoor cushions are made of quick-dry foam, enabling you to quickly enjoy your modular furniture again after a rainshower. Touch, feel, and experience the delicate weave and snug cushions, while enjoying a drink indoors or outdoors.

The elegant Kodo modular collection offers several possibilities for creating the perfect design lounge corner for modern homes, hotels and other public spaces.
