

VINCENT SHEPPARD

PRESS RELEASE

JANUARY 2023

Vincent Sheppard proudly presents its new designs.

With the modular Kodo collection, contemporary dining chairs, Maya lamps and beautiful new tables, the brand further expands its range.

Ari table

The Ari table will undoubtedly become the eye-catcher in your interior. Its round shape and natural shade give the table an inviting and warm appearance.

The beautiful finish of the organic tables is sure to attract attention. Each Ari table is unique, as mineral plaster is applied by hand. Ari's iconic shape is enhanced by a round central leg and makes the table a real statement piece.

The collection consists of round and elliptical tables, available in different sizes.

“Comfort and simple elegance are key with the Jules dining chair”

Jules chair

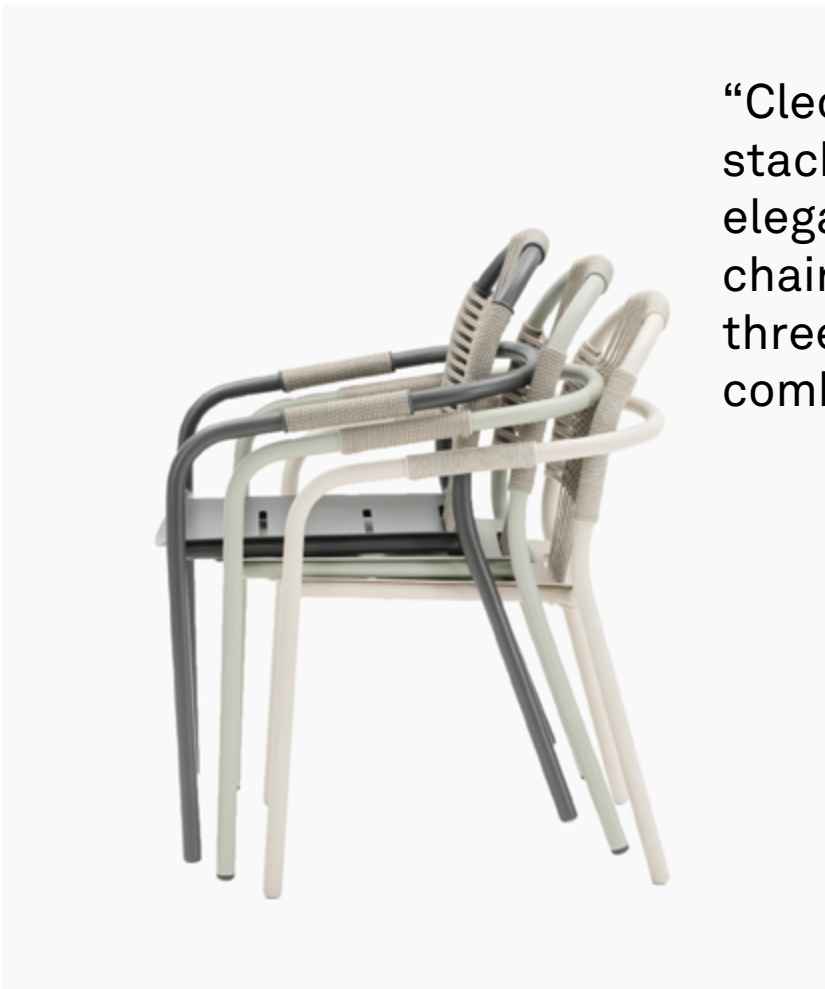

The indoor Jules dining chair has a classic and elegant appearance. The woven LLOYD Loom seat features a high curved backrest which offers optimal seating comfort. The armrests are gently rounded at the perfect length for fitting under your table.

Seat available in all Vincent Sheppard colours, base in natural oak, black wood or black powder coated steel.

“Cleo is a light, stackable and elegant outdoor chair, available in three beautiful colour combinations.”

Cleo chair

Meet Cleo, a practical and comfortable garden chair with a unique design. Cleo's slim profile consists of two aluminium parts. One forms the arch of the backrest, while the other part runs around the backrest and forms the armrest.

Kodo modular

Discover the modular Kodo collection.
Configure the modular pieces of your choice
and create a setting that perfectly suits your
space. For example, go for a spacious corner
sofa with a corner or combine a 2-seater
with a chaise longue for a contemporary look.

Maya lamp

The contemporary Maya lamp perfectly balances warm wood and black aluminium. Maya's body is carefully crafted with repurposed teak slats which embrace a solar led module. Through the gaps in the wooden shell, the durable design lamp will cast a warmly welcoming glow, creating a dreamy ambience in the blink of an eye.

“Sustainability trumps with the Maya lamp. A solar-powered LED module casts a warm glow through the housing made of repurposed teak.”

“Three wide teak slats characterize Freya’s seat and give the chair a timeless aesthetic with an edge.”

Freya chair

The stackable Freya chair has a classic and elegant appearance. Its solid wooden legs and curved backrest are gently rounded which creates an inviting yet sturdy look.

Sam table

The round Sam dining table is perfect for cosy alfresco dining. The untreated teak adds a natural look to your outdoor area while being exceptionally strong and durable.

“Pure yet powerfull. “

Noa table

Pure yet powerful. These words describe the Noa dining table perfectly. The broad slats of teak and elegant legs provide a natural look to your terrace in a modern way. As teak is well-known for its exceptional strength and durability, this table is guaranteed to have a long and happy life.

Volta table

The Volta dining table serves as the ideal gathering point in contemporary spaces. A light-toned ceramic table top is combined with a sleek yet sturdy teak frame, creating an inviting and low-maintenance table for years to come. Volta's clean and minimal design results in a timeless and simultaneously remarkable dining table.

Remi chair

Tactile, rounded and comfortable. These words describe the Remi dining chair perfectly. The outdoor dining chair features an inviting seat made of polypropylene rope and is available with a teak or powder coated aluminium base.

About us

Vincent Sheppard has been designing and manufacturing indoor and outdoor furniture with exceptional seating comfort since 1992. The company is worldwide market leader in Lloyd Loom furniture, a technique where Kraft paper is twisted around a metal wire and woven into unique furniture pieces.

Today, Vincent Sheppard furniture is exported to more than 40 countries. The headquarters of Vincent Sheppard are in Belgium, while their main production plant is located in Indonesia, a country known for its rich tradition in weaving.

By constantly challenging itself and its design aesthetics, the brand is able to present young, contemporary furniture collections that answer to all modern needs. They combine a clear focus on quality and comfort with craftsmanship and an age-old technique, and translate these ingredients into qualitative, durable and appealing designs. With a wide variety of indoor as well as outdoor pieces of high quality, the brand is a favourite of many interior aficionada's.
