## TWO INTERNATIONAL AWARDS FOR ESMA DEREBOY DESIGNS

Esma Dereboy, one of the new era designers of Turkey, has achieved an important success by winning the **IF DESIGN AWARD** and the **RED DOT AWARDS**, which are the most important of the world famous design awards this year.

Hanover-based IF International Forum Design GbmH has announced the 2022 winners of the IF DESIGN AWARDS, which it traditionally organizes every year. According to the results announced, this year Esma Dereboy's Capsule Collection was found worthy of the award in the household and tableware category in the field of product design. The design, which won over the 132-member jury, made up of independent experts from all over the world, was selected from almost 11,000 entries were submitted from 57 countries.

During the same period, there was also good news from the RED DOT AWARDS, another respected international design award. As a result of the voting of 48 expert jury members from 23 countries, a RED DOT award came to Turkey with Esma Dereboy's Capsule series design.

# Esma Verebovy

Inspired by the contours of a capsule, the design of this mug set with its balanced proportions is based on ergonomic principles. The smooth texture of the matt surface evokes naturalness and makes the mugs a pleasure to hold. The set includes both espresso cups and saucers as well as mugs and water glasses.

## "The Bounty Hunter Capsule Collection"

With its range of colour options, the design follows a mix-and-match concept and allows users to put together individual sets of different colours and sizes. The appealing design of this mug set with its contoured curves and creative colouring brings variety into daily life.
