The Lyon-based brand SKIMP is above all a story of adventure and travel. SKIMP reinvents everyday objects to make them FUN, INGENIOUS & OFF-beat. The motto: «Don't take yourself too seriously and shake up the codes, all in a colourful and assertive style». Well-known in the sports world for its recyclable, waterproof and metal-free belts, the French brand never ceases to surpass itself by offering ever more offbeat and innovative designs. Today SKIMP challenges itself to revolutionize the sports market with a 100% waterproof backpack! It is through the collaborative funding platform Ulule that this beautiful project was launched in April 2021.
