

MAOMI®

Welcome to today's Fair Opening!

The grand design fair MAISON&OBJET opens its doors today, 8 September, in Paris Villepinte, and we are delighted to welcome you to this event. For five days up to and including 12 September, you will be able to enjoy a wide variety of design and art objects. It would be a great honour for us to welcome you at our stand - which is located in hall 5A under stand number P43.

This time, however, it is not only at our stand that you can view our products: We are very happy with our addition to François Bernard's WHATS NEW? selection KALËIDO-SCOPE, which presents our new product, the stoneware ELEPHANT FEET. It is located between halls 1 and 2.

In addition, our porcelain KAYA TINY is also part of this year's exhibits of the in-house MOM exhibition, which you can already find in the entrance area.

So don't miss out on the fair. We are looking forward to seeing you!
