A NEW MINIMALIST FORM FROM ESMA DEREBOY: CAPSULE BOWLS

Esma Dereboy expands its product range with new minimalist capsule bowls.

The Red Dot and IF Design Award-winning Capsule Collection is waiting to take its place on new tables with its new bowls. Capsule bowls, which can be used as a salad bowl, chef's plate or appetizer bowl, are produced in double colours and 7 different sizes.

It continues to be indispensable for those who want to set up special tables with modern and simple touches.

With its contoured curves and creative colors, it brings elegance and variety to everyday life with an exaggerated show.
