DESIGN: MASSIMO IOSA GHINI

*Kalos accessories:
classic sophistication
for contemporary bathrooms*

The result of Devon&Devon's partnership with a great protagonist of contemporary architecture, the new Kalos accessories have been designed by Massimo Iosa Ghini to offer a complete collection of timelessly beautiful bathroom products. The sophisticated retro style that characterises the essential, soft lines of all the elements in the range is the same one that inspired the Kalos bathtub and Kalos washbasins, winners of the 2021 editions of the prestigious **Archiproducts Design Awards** and **Green Good Design Awards** respectively.
