# *Meet us at* **MAISON&OBJET**

For 76 years, Ferreira de Sá has been driven to design and produce exceptional pieces for the most exclusive spaces.

Founded in Portugal in 1946, Ferreira de Sá has maintained its roots and evolved into being the largest and one of the oldest luxury rug manufacturers in Europe.

Transforming the knowledge and passion into a collection that embellishes any space, Ferreira de Sá is nowadays a luxury brand with the heritage of combining the traditional secrets with innovative crafts of adapting and producing each piece according to the unique expectations of our clients. We design our rug collections with care and manufacture them in three different production techniques: Hand-Tufting, Flatweave and Hand-Woven. Operated by talented artisans who share a passion for handcrafted rugs.

Constantly innovating, Ferreira de Sá has always improved production methods and raw materials, offering quality, flexibility, and the best solutions for its customers worldwide while working to minimize our environmental impact at every stage.

Since its establishment, Ferreira de Sá has not only grown but has continuously adapted, improved and expanded its presence worldwide. We are proud to be present in every continent with a passionate team, that supports you in every step of your rug selection. We work with the best, for the best! We are experts and craft each piece for your luxury world, whether it's an opulent house, a lavish yacht, a sumptuous hotel, a luxury retail store or other projects, all of which are carefully designed, advised and crafted by the most talented rug craftsmen.

# MUCH MORE THAN JUST A *tradeshow*

Ferreira de Sá wants to share with all its friends and clients a unique experience at this edition of Maison et Objet.

In this edition, the highlight will be the presentation of the highly anticipated new collection of Flatweave rugs, the Filigrana collection.

We will also have new gradient rugs on display and a special setting up with our rugs produced exclusively with ®Econyl Regenerated Nylon.

From Thursday 19th to Monday 23rd of January, meet Ferreira de Sá in **Hall 6, Stand H25**.
