Capsule Collection 2023

Dots + Stripes

Pattern takes centre stage in this new collection in earthy and inky colours.

Inspired by the streets of our new home in Barcelona. A world of simple motifs that punctuate the everyday.

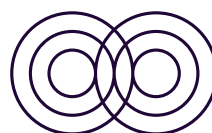

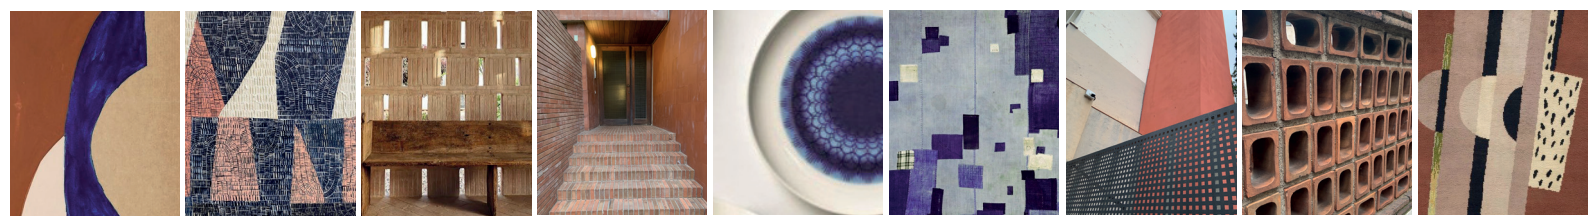

Patterned weaves are a tradition, perfectly executed by the Bolgatanga weavers.

Blue is almost black.
Red Earth is urban yet organic.

Stripes give balance.
Dots and dashes are rhythmic.

Can you feel the energy?

Our Story

Behind the beautiful facade of our Barcelona shop we design and create. In the back is our workshop where we assemble all our lamps by hand. We are now 3 in the workshop!

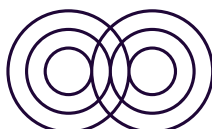

The brand was founded by designer Sara Efa Reddin in 2019, a wonderer, born in London to a Ghanaian mother and an Italian/Irish father, she lived in Paris for 18 years and now in Barcelona.

This mix of cultures and experience is present in our collections.
The incredible artisan techniques of Ghana, the geometric motifs that are traditionally woven.
The natural sun-kissed feeling of the Mediterranean. A touch of modernist Barcelona.
The sophisticated refinement of Paris.
Many stories combine

We adhere to a nurturing, caring and sustainable business model that goes beyond simply craft.

Design is Good. Traditions are precious. Craft is the new luxury.
