

COMFORT CIRCLE | DINING TABLE WITH EXTENSION

Enhance your dinner parties with our new extendable Comfort Circle – the newest addition to our dining table collection, making it possible for you to invite even more friends over for memorable moments around the dining table.

With great attention to detail and strong craftsmanship, the elegant Comfort Circle is now available in an extendable version with space for up to ten people. Beneath the table, the extension plates are hidden for you to easily add to the table when more space is needed.

The middle part of the table can be elevated – both when extended and when not extended – accentuating the versatility of the table. Lift the centre to enhance the decorations and flowers on the table or as a space to keep your food. And if you wish to add a tablecloth, you can easily align the centre part with the rest of the table.

The flexible design and the subtle lightness of the extendable Comfort Circle make the table a great solution for smaller spaces – but will also stand out in larger dining rooms.

Available in oak and dark oak with either smooth or rippled legs.
