

CURIOUS

Introducing Curious – a charming new chair to the UIMAGE furniture collection to grace your dining setup.

Curious is a stackable chair with a light, minimalistic and elegant expression. Made from oak veneer, Curious is available with brass and black legs with the option of a seat cushion to enhance comfort. The seat cushion is available in 17 bespoke colours of the new 100% recycled Horizons fabric and in brown or white of our Teddy Bear fabric. In addition, KVADRAT and Sørensen Leather upholstery is available on request.

The French Italian designer behind Curious, Luigi Vittorio Cittadini, has a background from Politecnico di Milano and several years of work for design studios in Milan. This translates to all aspects of his designs and results in designs with an ironic edge, a poetic contrast and a touch of Italian design tradition.

“The idea and desire behind Curious were to create a seat with a human, curious look, almost as a friend’s presence in your space.” - Luigi Vittorio Cittadini, Designer

The new chair from UIMAGE is designed to suit countless settings and purposes and will look great in the home as well as in hospitality venues and offices. Have them as a part of a dining setup in the kitchen, use them in restaurants or small coffee shops or let them elevate your dining room setting.

The stackable element of the chair makes it perfect for public spaces, waiting rooms or large conference halls, where storing the chairs in a small place is sometimes needed.

At UIMAGE, we care about everyone we influence. We make functional and timeless designs that last, we optimise storage

and transportation costs with flat-packed designs, to make luxury accessible to you. The aim is to save the environment so that you can save on living.
