

PRESS RELEASE

LASKASAS PRESENTS *STRIKING NEW* *COLLECTION*

TIMELESS ELEGANCE AND CONTEMPORARY FLAIR TO ELEVATE ANY HOME DECOR

LASKASAS®

Laskasas is proud to announce the launch of the new collection of furniture that reflects the company's commitment to creating timeless and contemporary pieces.

The new collection is designed with modern living in mind, offering pieces that blend comfort, elegance, and functionality. From beautiful, handcrafted armchairs and sofas to sleek, modern desks and bookcases, the collection has something for every room and style.

Laskasas' new collection uses high-quality fabrics, woods, and finishes to ensure that customers can enjoy furniture that lasts for years. The company's craftsmanship and attention to detail are what sets them apart from other manufacturers, and the new products do not disappoint.

Meet, first-hand, a selection of some of the new designs.

Living Room - Decker Sofa

The Decker sofa allows for ultimate customisation with its modular sections, available in a variety of fabrics and colours.

Request the new collection's HR images by sending an email to diogomendes@laskasas.com or visit **Laskasas' Press Loft**.

Home Office - Haia II Chair

The Haia II home office chair is a stunning piece with curvy lines that will gracefully stand in any space, including dining rooms, home offices, and indoor patios. Simple, curvy, and iconic, it is an irresistible and stylish chair.
