KLATT OBJECTS at the Summer Fairs 2023

A feast for all the senses: Klatt Objects collectibles seduce with striking contrasts and tactile structures

Deep black meets radiant white and emotional natural tones. With the upcoming autumn and winter collection, Klatt Objects creates a holistic experience for all the senses with delightful contrasts and tactile surfaces. The focus is on the further development of the ANNA, COCOON and LINDA vase series and the FRUCTUS collection. The now not-so-small collection of porcelain birds will also be joined in 2023. In addition, for the first time, some lovely animals will join the elegant Christmas decorations made of porcelain and wire.
