

## FINNISH DROP DESIGN SPA IS SHOWCASING THEIR COLLECTION AT MAISON ET OBJET

*Award-winning and minimalistic Drop Design Spa is showcasing their collection in Paris this September at Maison et Objet.*

Drop Design Spa is an outdoor spa of superior quality and outstanding design. This ergonomic spa is easy to use and delivers an unprecedented and luxurious wellness experience, nestled in the comfort of your backyard or terrace.

Designed and made in the land of a thousand lakes, Drop spa can be seamlessly integrated to any outdoor space, or embedded in the terrace to achieve even more subtle look.

Drop is minimalistic and award-winning Nordic design at its best. Clean lines, simple and elegant, inspired by nature. The design of the spa addresses aesthetics, the ones who appreciate elegance and beauty of form.

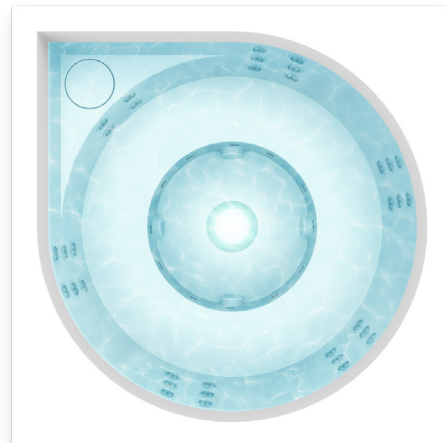

Drop has a broad reseller network in Europe and is available in over 20 countries.

### DROP OF LUXURY

The drop-shaped Drop Spa was inspired by the beautiful nature of Finland.

The minimalist design of the pool was created by the Finnish designer Nikolai Ruola, and the spas are also crafted in Finland.
